

Matthew Cook

FIRM TITLE - Associate

ROLE - P3 Specialist

EXPERIENCE - 34 Years

SPECIALIZATION

- Construction & Infrastructure Business Strategies / Development
- Insurance & Alternate Risk Treatment Solutions
- Fortuitous Risk Mitigation
- Project / Supplier Relationship Management

RELEVANT EXPERIENCE

As a MIHI associate and founder of Cook Advisory Services, Matthew provides advice and insight to proponents and sponsors in P3 infrastructure projects from the insurance and risk management perspective. Matthew helps clients close projects through dynamic contractual risk analysis, risk identification and mitigation, risk transfer program design, sponsor representative in bilateral meetings and insurance procurement and sponsor representative in lender negotiations.

Matthew's career began in the UK and continued with his return to Canada where he worked with two multinational insurance brokers in Montreal, Ottawa, Vancouver and Toronto. As broker and/or advisor, Matthew has been involved in the Canadian P3 sector since 1997 and generally in the construction and infrastructure industry for over thirty years.
